Join us at GMBC for breakfast, followed by a talk from Fiona Castle.

Fiona studied dance and theatre arts and worked in theatre as a singer and dancer for seven years, until she married the entertainer Roy Castle in 1963. They had four children and were married for thirty one years, before Roy died of lung cancer in 1994.

Fiona has written a number of books (now out of print!) including five anthologies of prose and poems.

Before lockdown she spent much of her time travelling around the country, sharing her story, at various evangelistic events; also speaking at charity events, in aid of hospices, Rotary, etc.

She is also a keen patron of Global Care, a charity which supports vulnerable children in many parts of the world, and has had the privilege of visiting many of their projects. She also continues to support the Roy Castle Lung Cancer Foundation, which was started shortly before Roy died.

Tickets are £5, including cereal and continental breakfast being served.
